PRODUCT DATA

BEAN•e•doo® 200PW Parts Washer

BLUE BEAR® BEAN•e•doo® 200PW Parts Washer is a specially formulated, green parts washer solution for the removal of oil, grease and grime from industrial parts and equipment. **BEAN•e•doo** is made with 100% American-grown soybeans and contains no petroleum distillates, making cleaning parts safer and eco-friendly.

Usage Tips:

- May be heated to 100°F (37.8°C) to improve performance.

Coverage: Average coverage is 100-200 sq ft per gallon.

Application: Use hot or cold. Do not dilute **BEAN•e•doo**. Soak part to be cleaned. To decrease soaking time, periodically scrub the part with a wire or heavy bristled brush.

Clean Up: Use compressed air or wipe with a damp rag to remove all residue.

Storage: Keep container closed when not in use.

Precautions: Dispose of any waste according to local regulations. Remember to properly dispose of rags to prevent the possibility of combustion. Used rags should always be stored in UL listed (or approved equivalent) covered containers.

Biodegradable: Meets or exceeds ASTM standards

Flash Point: Above 425°F (218.33°C)

pH Level: 6.65 pH of 1/10 wt/wt solution in soft water

CAUTION: May cause mild skin irritation. May cause eye irritation. May be harmful if swallowed. Keep out of reach of children.

Ingredients: Soy Ester, Ethoxylated Alcohol

VOC (Volatile Organic Compound) content:
2.3%, .06 lb/g, 20 g/l California and OTC Compliant
