

STEP 1

WASH-AWAY™

TIP SHEET

SOLVENT INK REMOVER

Eco-Friendly Low-Odor Cleaner

Made with Soybeans • 100% Biodegradable • Non-Toxic and Non-Caustic

Franmar's Solvent Ink Remover is an excellent eco-friendly replacement for traditional mineral spirits and other volatile solvents for cleaning solvent based inks. This great formula is non-flammable and biodegradable with a very low odor. A must use product for today's industrial ink printers!

Directions

- 1** Spray or pour a small amount onto screen.
- 2** Clean surface with a shop towel, dedicated Biggee™ pad, or nylon brush.
- 3** Wipe surface clean with a damp cloth or spray with water.
- 4** Clean both sides of screen with a shop towel.

Note: Do not let Solvent Ink Remover sit on adhesive holding mesh onto frames.

Usage Tips

- Do not dilute Solvent Ink Remover with water.
- Be sure your emulsion has some water resistance.
